Letter from E.M. Gawne Esq., I.C.S., Collector of South Kanara, No. Ref. C. A6-708/33 dated 30th May 1933.-

The Tahsildar of Mangalore taluk proposes the assign-

ment of S.Nos. 69/1A1 and 69/1A3 of Arkula village, measuring 1.09 acres, to the Parish Union of the Diocese of Mangalore.. A portion of S.No. 69/1A1 and the whole of S.No. 69/1A3 form kumaki to the kadim land S.No. 28/16 belonging to the Lord Bishop of Mangalore. Portions of the plots form kumaki to two other lagthidars also viz. Dency Coelho and Anthaya Shetty. Anthaya Shetty has no objection to the assignment of the plots to the Lord Bishop to whose kadim land S.No. 28/16, they form direct frontage

kumaki and kumaki adjunct. The Power of Attorney holder of Dency Coelho claims the plots on kumaki right and on the ground that the thatching grass grown on them is cut and removed annually by his tenants. But these objections do not deserve any consideration as Dency Coelho has already been assigned S.Nos. 69/1B and 2 which are his direct kumaki. The objection as to the removal of the thatching grass by his tenants is also found to be frivolous.

See sketch at
p 5-7 (P)

2. The plots are reported to form portions of a steep hill which slopes towards the land of the Lord Bishop. The Bishop owns 40.16 acres of wet, 1.89 acres of garden and 12.39 acres of dry land in the village. An extent of 10 acres of kumaki is still available for assignment to him. These figures show that the Bishop has not got sufficient dry lands for the cultivation of his wet lands.

3. One Maria Souza Bai has enclosed a portion of S.No.69/1A3 by a fence and has put up a thatched shed and raised hakkal in it. The encroachment is reported to be about six months old. But she has no objection to the assignment of the plot to the Lord Bishop.

4. The non-kumaki extent comprised in S.No. 69/1A1 is 63 cents. It is reported to be unsuitable for reservation for the Depressed classes.

5. The Lord Bishop has no objection to the assignment of the lands in the name of the Parish Union of the Diocese of Mangalore and the Secretary of the Union has no objection to this

6. The Parish Union owns 93 cents of dry land in the village valued at Rs.100. In this district it owns 125.37 acres whose approximate market value is estimated at Rs.7,196.

7. I, therefore, request that the sanction of Government may be obtained for the assignment of the plots to the Parish Union which is an alien body.

8. The records of D.R. 681/41 are enclosed.
